Printed in the U. S. A.

PREFACE

The books included in this index are those most constantly used by the students of the Hartford School of Religious Education, and have been analyzed as a practical aid to usual reference work.

It has been suggested that the index might be of similar use in the reference work of religious education and public libraries generally and is accordingly printed as it stands without delaying for revisions.

A. M. R.

Case Memorial Library,
Hartford Seminary Foundation,
Hartford, Conn.
September, 1928.
